THANK YOU TO PALS

'A <u>massive</u> thank you to PALS for their extremely generous donation of £1279.24, which is to go towards the completion of our new and improved library.

This amount will purchase a final order of books, meaning our library is fully stocked with books linked to AR Reader and some comfortable library seating. We are planning an official re-opening of the library when everything is done and further information on this will be provided closer to the time.'
