

School Bulletin Friday 5th July 2024

As I write the results of the general election have come through and show a victory for the Labour Party. Whatever your political opinions I am sure you will join me in hoping that our new government takes the time to understand the issues facing our schools and local communities. An approach of engagement with the profession is long overdue and would be hugely beneficial to the children and young people our schools serve.

In other news I am pleased to announce that I passed a very rigorous (and stressful!) selection day to be one of 11 primary leaders selected to join cohort 4 of the South West 100. SW100 is a leadership development programme running across Devon & Cornwall. This is a fantastic personal opportunity to engage with other leaders across Devon & Cornwall over a 12-month period and also to visit schools both at home and abroad to engage with good practice. The school will also benefit as a huge part of the work will involve engagement with our local community and understanding the context of our pupils, families and local services.

Finally, let's hope for an entertaining weekend of sport!

Nathan Cooper – Headteacher

Attendance: 1st July – 5th July 2024 Whole School 96.8%
