School Bulletin Friday 24th November 2023

Once again this week the pupils, parents, carers, staff and local community have come together to ensure our children get the best possible opportunities and outcomes we can offer. Sycamore class have been supporting the community by continuing our work with Shelley and her volunteers at the local community space (Glebe Land). Beech class represented the school at the Mid-Cornwall games this week in a multi-skills festival and members of Oak and Sycamore have already secured several high placed finishes at the St Austell Festival of music and speech. A big thanks to all of you for supporting your children and the school so well.

Have a fantastic weekend.

Navigators employed to help SEND families

Cornwall Council have employed 'SEND system navigators' to act as a first point of contact for families of children with special educational needs and disabilities. The new roles will communicate key information to the council SEND team when requests for statutory education, health and care (EHC) needs assessments are made and in time will also be reaching out to families to share key information at set times during the academic year. The 'navigators' commence training in November.

Many thanks

Mrs Le-Doux-Lucas
