## **Child-friendly E-Safety Policy September 2020**

### **What is E-safety?**

E-safety means electronic safety.

E-safety is important because it helps to keep children safe so they can enjoy, explore and fun online.

### **Why do we need an E-safety policy?**

To keep children safe on the internet in-school and out.

To advise children of appropriate content

So that children are aware of what to do when something strange occurs or they are worried.

### **If people are mean or worry me online:**

<b>What should I do?</b>	<b>What should I not do?</b>
<p>Tell an adult I trust straight away. Try to stay calm. Report anything that worries you. Try to ignore the person. Block and delete the person. Keep all messages for evidence.</p>	<p>Do not keep worries to yourself. Do not be unkind or nasty back. Do not get angry or upset. Do not allow the person to keep being unkind. Do not delete messages.</p>

### **Who can we tell if we have worries about e-safety or cyber-bullying?**

Friends

Family

Teachers

PCSO
