Welcome to the first newsletter of the summer term.

Well done and thank you for everyone's great efforts with the home learning tasks. All the teachers and I have thoroughly enjoyed seeing what new learning will appear on Dojo– on a daily basis!

We ask that you upload at least one piece of home learning to your child's pupil portfolio or Ash Class Tapestry Observations each week. This is our only expectation. There is no judgement on what, where and how Home Learning is completed. I know some will be completing all of the rainbow challenges; some are dipping in and out of these recommended activities; some are using alternative plans like the BBC Bitesize or Oak National Academy and some are creating their own learning. All of these things are great, please continue to make it work for you.

With regards to the online/ home learning, if you have any queries or concerns, please in the first instance contact your child's class teacher via Dojo and they will respond to your message within 48hrs (Mon-Fri).

Most importantly, we want to remind you that everyone's health and well-being is the **main priority** in these uncertain times. Please do not stress or worry if some days go better than others with the home learning tasks and we are here to support you as best we can.

Happy Friday!

Mrs L-D-L and the Luxulyan Team.
