PARENTVIEW

On the website, click on the parents tab, then follow the 'Parent View' hyperlink to share your views.

Parent View gives you the chance to tell Ofsted what you think about your child's school, from the quality of teaching to dealing with bullying and poor behaviour. The survey can be completed at any time; you don't have to wait until the school is being inspected. We will use the information you provide when making decisions about which schools to inspect and when.

Click 'Give your views' to register and complete a survey to help your child's school improve.
