

School Bulletin Friday 31st January 2025

I have had the privilege to have worked in many schools from primary to secondary and in various parts of the country over the past 24 years. I wholeheartedly believe that Luxulyan is a very special community and the school reflects that sense of belonging and shared purpose.

Over the past 10 days I have really seen that sense of working for a greater good and purpose in evidence. You may have noticed that we have been very badly struck with illness to the extent that we have had to take additional measures to ensure the problem doesn't become any worse. During this time I have seen staff step up to take on cover and support for others, often whilst not being 100% themselves. They do this willingly and without complaint with the goal of ensuring your children's education faces no disruption.

I believe we are turning the corner now and I look forward to our attendance returning to its usual high levels.

A big shout out to the whole school team!

Have a great weekend.

Nathan Cooper – Headteacher

Neurodevelopmental (ND) Assessment Process Information Meeting – Thursday 6th February 2025

Following changes to the ND assessment process, a profile now needs to be completed with parents to assess need and support prior to any referral for diagnosis such as ASD or ADHD.

On Thursday 6th February 2025- 2pm – 3pm

Mrs LDL will be holding another information session on this process for parents / carers if you would like to know more about the ND profiling tool.

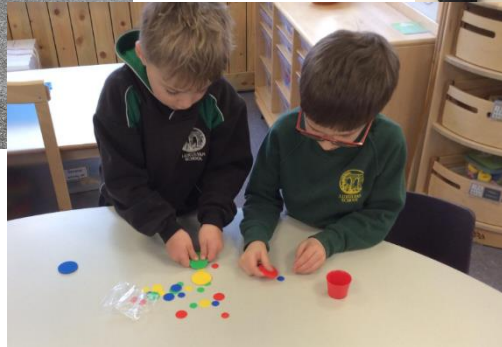

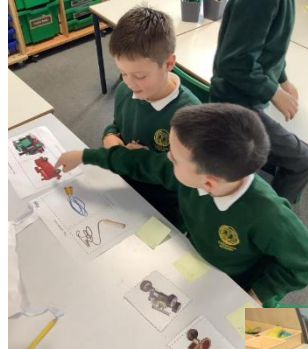

Please use the link below if you would like to attend.

* Please note, if your child already has a diagnosis (ASD/ADHD) or is currently on the ND pathway there is no need to attend*

What's been happening in school this week?

Dodgeball Success!!

You may have noticed the dodgeball festivals we have been attending recently. They culminated this week in a competition for year 3 & 4 teams. I am very proud to tell you that we won! That makes Luxulyan the area champions. Well done for your amazing dodging, ducking and throwing skills.

Children's mental health week - non-uniform day! Friday 7th February

We are very keen to support children's mental health and wellbeing. You may be aware of Emily who works as part of the NHS mental health team and is in school each week and also the PSHE curriculum and assemblies that take place throughout the year. All are set up to promote mental wellbeing.

The theme for children's mental health week is 'Know yourself, grow yourself'. One of our year 2 pupils had a fantastic idea for a non-uniform day which fits this theme.

We would like you to dress up in some way to reflect what you would like to do in the future. Some examples would be:

- 1) A possible future job/career
- 2) An aspiration you have for the future - e.g. travel somewhere or complete a challenge such as run a marathon or climb a mountain.
- 3) Wearing something that reflects something you would like to improve upon in the future.

Have a think and a good chat at home and use your imaginations.

We do not need any financial contribution to the day.

If you have any questions please contact us.
