

### School Bulletin Friday 25<sup>th</sup> April 2025

Welcome back to the summer term. This term is probably the busiest and most exciting in schools. We have a huge amount of statutory testing and assessment to complete and we thank you for your interest and support in ensuring your children can do their very best. We also have lots of trips and events including residential on the horizon. The children really do grow in more ways than just their height in this final term.

Next week sees our village school firmly on the map again with visits from our local MP – Anna Gelderd – and BBC spotlight filming the new breakfast club in action.

We look forward to beginning the process of transition with a full complement of reception places allocated for September. Year 6 will soon begin their own transitions with increasing visits and contact with their secondary schools.

It's a busy one but we wouldn't have it any other way!

I am off to support Truro City on Saturday in their bid to enter the football conference and I hope you find some time to relax and enjoy some good weather too.

Have a great weekend.

**Mr Cooper**

### Sycamore Class – Carnglaze Cavern Trip

Sycamore class have been given a wonderful opportunity to visit the Carnglaze caverns as part of a creative workshop on Tuesday 29th April (next week). The workshop will help inspire us to create some work which we will perform at the Carnglaze caverns in June. The trip will take place during school time and children will be back before the end of the day.

Children will need to come in to school with their school uniform and logo jumper (No PE kits please). It will be 10 degrees in the caverns so children will need a coat.

All children need to have a water bottle and pack lunch, if you wish the school to provide one, please can you message me via Dojo by Thursday 24th April (there will be a cost element to this unless you are entitled to free school meals).

I am needing some parent helpers to come with us. Please message me if you are keen on joining us.

Please don't hesitate to message me if you have any questions.
