Maths Approximately 1 hour	Year 2 you are learning about money this week. Find the Home Learning Video lessons here: https://whiterosemaths.com/homelearning/year-2/week-10-measurement-money/				
	Y2 Count money - pence	Y2 Count money - pounds	Y2 Count money - notes and coins	Y2 Select money	Y2 Make the same amount
	Supplementary Maths ideas: Numbots, Times Table Rock Stars, Maths Frame, Topmarks Online Games, Practical Maths at home- cooking recipes, measuring...				
Wider Curriculum Approximately 1 hour	Investigation Challenge Look through your books at home – can you find and draw/make a list/talk about the different mythical creatures you come across? With an adult you could even look some up on the internet and make a poster of them.	Creative Challenge Choose your favourite mythical creature or even come up with your own one! Can you draw, paint, model or build your creature? Can you give it a name? Does it have any special powers you can tell us about?	Out and About Challenge On a walk.. Look at the buildings around you. Do you think they are old or new? How do you know? What materials are they made of? Take photos or draw pictures of any interesting features you see. When you get home see if you can find out more about the history of the place you live in with a grown up. Are there any old photos online of buildings in your area?	Construction Challenge Build a castle, lair or home for your amazing mythical creature! Could you use lego, building blocks, recycling, plastecine (or whatever you have that's fun and handy) to design an amazing place for your creature to live in?	Physical Challenge Can you move like a mythical creature? Take some photos or film your mythical movements. Creatures you might like to think about: <ul style="list-style-type: none"> • Dragons • Basilisks • Centaurs • The Lochness Monster Could you design a mythical creature dance and find some good music to accompany it??
Physical & Mental Wellbeing	Here are some ideas to keep your brains and bodies active: Miss Soper's Sporty Challenges on Class Dojo, Daily Walk, Playing outside, PE with Joe Wicks , Go Noodle , Cosmic Kids Yoga , SuperMovers , Think U Know Esafety				

The English and Maths lessons above have been planned to progress throughout the week so we'd recommend following the daily routine we have suggested. The Wider Curriculum lessons can be completed on any day and may depend on weather and resources so feel free to organise those activities for when suits you best.

Monday 11.1.21

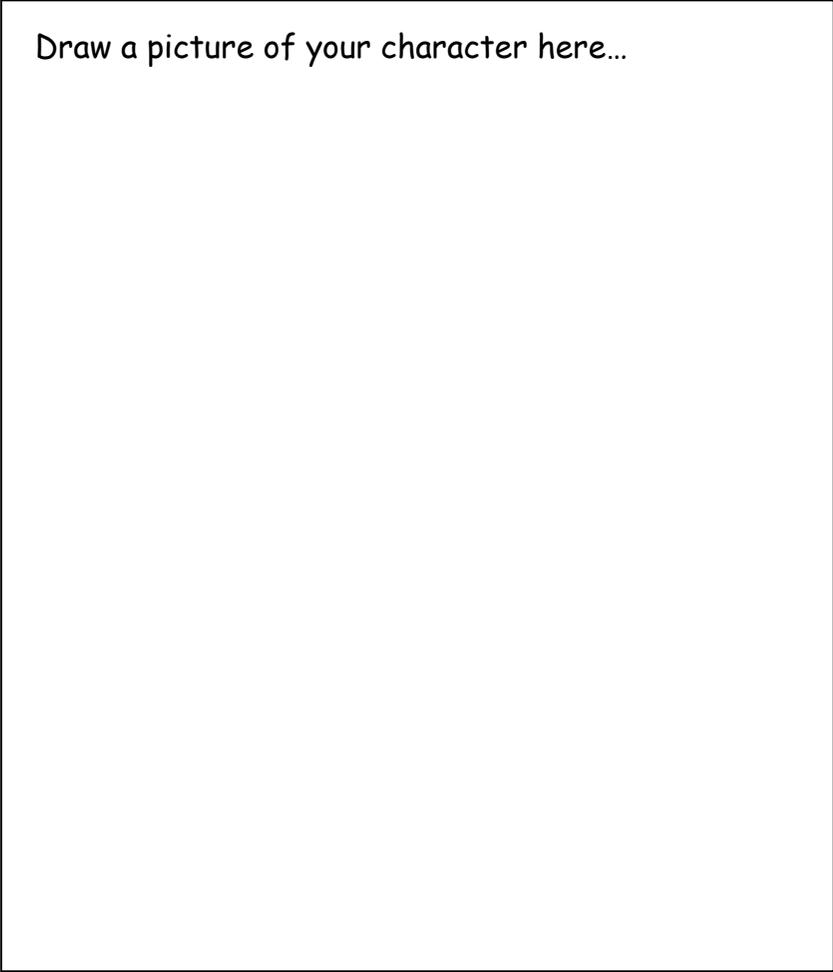

Describe 'Zog' using adjectives.

Monday 11.1.21

Describe a character from 'Zog' using adjectives.

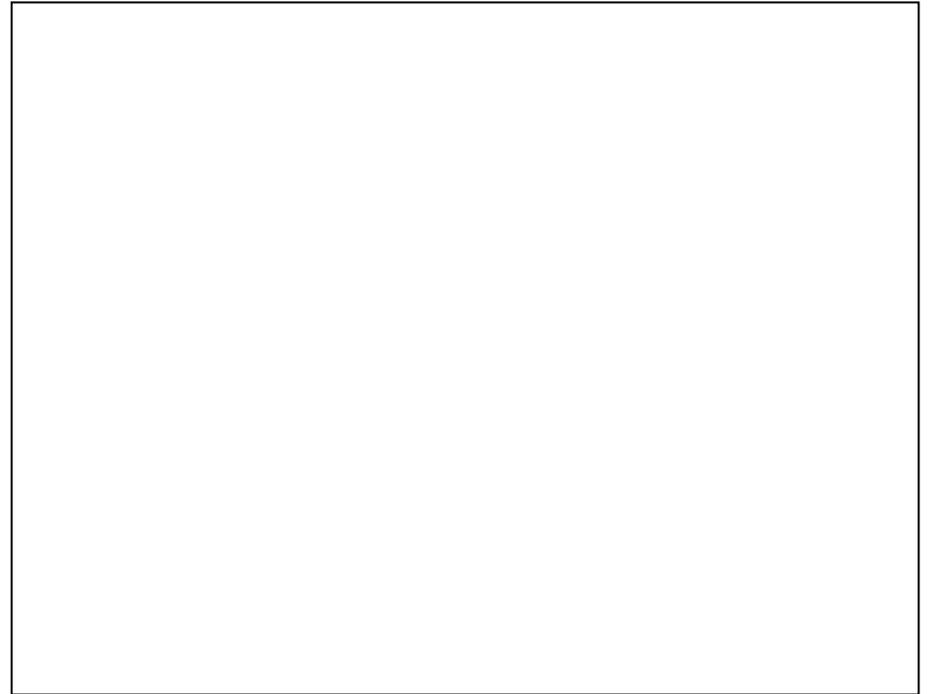

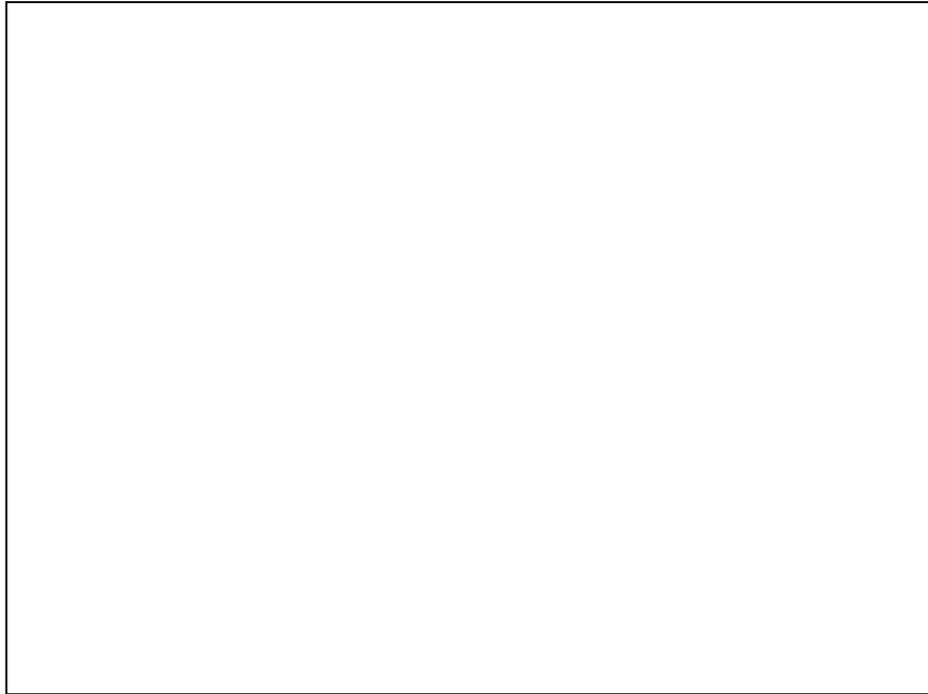

Draw a picture of your character here...

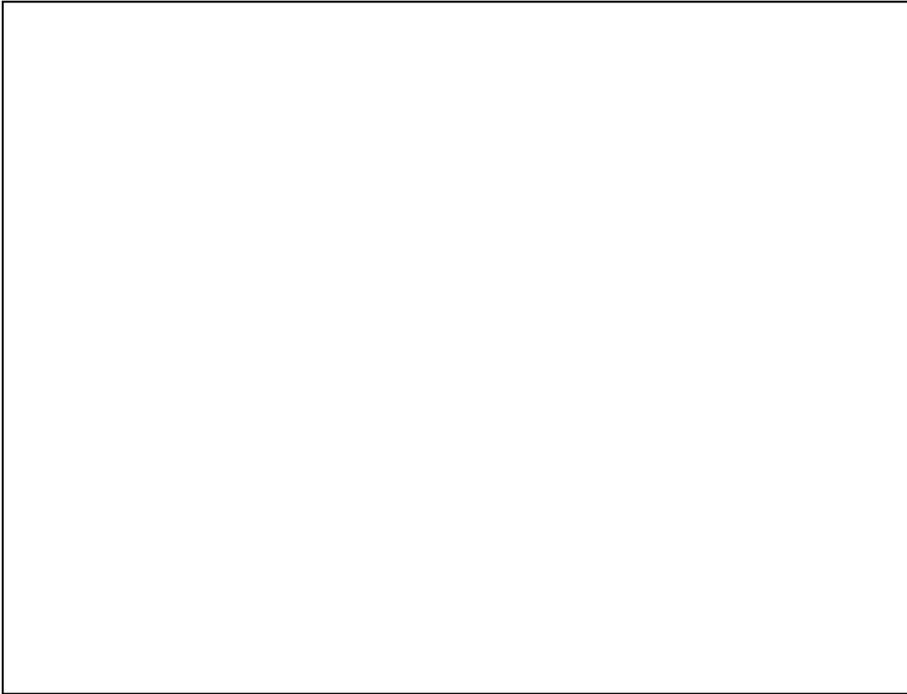

Thursday 14.1.21

Draw a picture and explain 'Zog's' Gold Star Challenges for each year at school.

Friday 15th January

What cool job could Zog help you with when you're older?

Draw a picture and write a sentence about how Zog would help.
