

### School Bulletin Friday 7<sup>th</sup> February 2025

This week has been a very important one for all of the school as it is Children's Mental Health Week. It is an unfortunate fact that the amount of SEMH (social, emotional, mental health) need in our schools nationally has increased significantly over the past decade. We could look at many contributing factors such as the rise in social media and the pressures it can place upon children and young adults and living through a global pandemic.

Whatever you believe the reasons to be we can still ensure we are having a positive effect upon the mental health of our children. Tell them how much they mean to you (you can't say that enough) and spend time with them whenever possible. Value it because they will value it more than you know.

Have a great weekend.

### Attendance: 3<sup>rd</sup> February – 7<sup>th</sup> February - Whole School 94%

### Wraparound Clubs

A reminder to please book wraparound clubs by the **THURSDAY for the following week**.

### Easter Holiday Club

We are very excited to share the news that we are looking into introducing a new experience for the local community and our pupils.

We are aware that the opportunities for our pupils to take part in activities during the school holidays are limited within our locality.

At Luxulyan School we realise that we are a community hub and can play a part in increasing opportunities for our children.

Working with DT coaching we are assessing interest levels in an activity club for year 1 to 6 during the first week of the Easter holidays.

Further details including pricing and times will follow but, as an indication, timings would be around 9-3pm and a daily cost aim would be no more than £20.

If you could take a moment to fill out the form on class dojo so that we can decide upon interest levels and next steps.

If you have any questions please message or comment.

Best regards...Team Lux
