

## School Bulletin Friday 8<sup>th</sup> November 2024

We're back! I hope you had an enjoyable break and are ready for Autumn term 2 which of course eventually leads to Christmas. A big thankyou to those members of the community who have shared their ideas for a new school strapline which we hope to share soon. We really do value your support and engagement.

Make sure you take the opportunity to book in a consultation with teachers (see dojo and link opposite) and keep an eye out for our book fair for those early Christmas gifts.

As always, key dates are in the handy table at the end of the bulletin.

Have a great weekend.

**Nathan Cooper – Headteacher**

Dear Parent/Guardian

**Your child's annual nasal flu vaccination is now due**

Kernow Health's School Age Immunisation Service is delivering the nasal flu immunisation programme in Cornwall's and Devon's schools on behalf of NHS England & Improvement. Flu can be a very unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

In 2024/25 all children in Primary Schools from **Reception to year 6 (inclusive)** will be offered the vaccine. The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please enter [www.nhs.uk/child-flu](http://www.nhs.uk/child-flu) to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate. The patient information leaflet is also in the attached link: [FLUENZ Tetra, INN-influenza vaccine \(live attenuated, nasal\) \(medicines.org.uk\)](http://www.medicines.org.uk/FLUENZ_Tetra_INN-influenza_vaccine_(live_attenuated,_nasal))

We are due to visit your child's school on **Wednesday 13 November 2024**. In order to access the online consent form, please enter or click on the following link: <https://www.kernowimmunisations.co.uk/Forms/Flu>  
**PLEASE ENSURE YOU ENTER THE FULL UNIQUE SCHOOL REFERENCE CODE. The code for your child's school is: EE142712**

Please submit your consent form by **midday on Monday 11 November 2024** to ensure your child receives their vaccination. If you experience any problems accessing the form please **telephone 01872 221105 for Cornwall schools and 01392 342678 for Devon schools** and the team will be happy to help. Please note that as in previous years **you must opt into the programme**. If a consent form is not submitted your child will not be vaccinated.

**If your child becomes wheezy or has their asthma medication increased after you submit this form, please contact us on the numbers above.**

If you decide you do not want to vaccinate your child against flu, it will help us if you still complete and submit the consent form giving the reason. This will help us to plan and develop the service. Please tell us if you need this information in a different format.

Yours faithfully

Dr Paul Cook  
Chief Medical Officer  
Kernow Health

## **Vision Screening – Reception**

Olivia Wolstencroft, the School Vision Screener, will be visiting the school on Wednesday 13<sup>th</sup> November to carry out vision screening for our Reception children.

Please click (or copy) the link below for more information in the Child Health Booklet:

<https://www.healthycornwall.org.uk/make-a-change/2024-child-health-programme-reception-year/>

**Or to 'OPT OUT' please click on the link below:**

[Parental Opt-Out Form: Reception - Vision Screening | Let's Talk Cornwall](#)

**You do not need to do anything if you are happy for your child to be screened.**

## **Vision screening**

Assessments are undertaken in your child's school by a screening professional from an orthoptic department.

### **Why should your child be screened?**

To identify any problem with the vision, for example a need for glasses.

### **Results**

You will receive a letter (sent home with your child) on the day of the test. This will say if your child's vision is normal or if the test indicates a possible problem. If required, your child will be invited for a further test at a local hospital.

**Please note: Your child does not need to be screened if he/she is already receiving treatment from a local hospital or has already been seen by an Optician.** Click here to withdraw your child from Vision Screening in School

If you have any queries or concerns please contact the Orthoptic department on (01872) 253287.

## **Neurodevelopmental Assessment Process Information Meeting**

Following changes earlier this year to the Neurodevelopmental assessment process, a profile now needs to be completed to assess need and support prior to any referral.

### **On Tuesday 19th November 2pm – 3pm**

Mrs LDL will be holding an information session on this process for parents / carers.

Please use the link below if you would like to attend. \* Please note, if your child has already had a diagnosis or is on the SEN pathway there is no need to attend.

Last year, with your help, we gave over £5.3M worth of free books to schools nationwide, which stocked school libraries and classrooms.
