Beech Year 1/2 Cornerstones Geography Long Term Overview

Term	Year A	Year B
Autumn	<p style="text-align: center;">Our Wonderful World</p> <p>Name and locate seas surrounding the UK, as well as seas, the five oceans and seven continents around the world on a world map or globe.</p>	<p style="text-align: center;">Let's Explore the World</p> <p>This essential skills and knowledge project teaches children about atlases, maps and cardinal compass points. They learn about the characteristics of the four countries of the United Kingdom and find out why there are hot, temperate and cold places around the world. They also compare England to Somalia. Children carry out fieldwork, collecting primary data in their locality to answer geographical questions.</p>
Spring	<p style="text-align: center;">Bright Lights Big City</p> <p>This project teaches children about the physical and human characteristics of the United Kingdom, including a detailed exploration of the characteristics and features of the capital city, London.</p>	<p style="text-align: center;">Coastlines</p> <p>This project teaches children about the physical and human features of coastal regions across the United Kingdom, including a detailed exploration of the coastal town of Whitby, in Yorkshire.</p> <p style="text-align: center;">*Add comparison of Cornish coastline</p>
Summer	<p style="text-align: center;">Revision and retrieval:</p> <p style="text-align: center;">Seas surrounding UK</p> <p style="text-align: center;">5 Oceans</p> <p style="text-align: center;">7 continents</p>	<p style="text-align: center;">Revision and retrieval:</p> <p style="text-align: center;">Compass Points</p> <p style="text-align: center;">UK Countries & Capital Cities, Flags</p> <p style="text-align: center;">Physical features</p>

Sycamore Year 3/4 Cornerstones Geography Long Term Overview

Term	Year A	Year B
Autumn	<p style="text-align: center;">One Planet Our World</p> <p>This essential skills and knowledge project teaches children to locate countries and cities, and use grid references, compass points and latitude and longitude. They learn about the layers of the Earth and plate tectonics and discover the five major climate zones. They learn about significant places in the United Kingdom and carry out fieldwork to discover how land is used in the locality.</p>	<p style="text-align: center;">Interconnected World</p> <p>This essential skills and knowledge project teaches children about compass points and four and six-figure grid references. They learn about the tropics and the countries, climates and culture of North and South America. Children identify physical features in the United Kingdom and learn about the National Rail and canal networks. They conduct an enquiry to prove a hypothesis, gathering data from maps and surveys before drawing conclusions.</p>
Spring	<p style="text-align: center;">Rocks Relics and Rumbles</p> <p>This project teaches children about the features and characteristics of Earth's layers, including a detailed exploration of volcanic, tectonic and seismic activity.</p>	<p style="text-align: center;">Misty Mountain Winding River</p> <p>This project teaches children about the characteristics and features of rivers and mountain ranges around the world, including a detailed exploration of the ecosystems and processes that shape them and the land around them.</p>
Summer	<p style="text-align: center;">Revision and retrieval</p>	<p style="text-align: center;">Revision and retrieval</p>

Oak Year 5/6 Cornerstones Geography Long Term Overview

Term	Year A	Year B
<p>Autumn</p>	<p>Our Changing World</p> <p>This essential skills and knowledge project revises the features of Earth, time zones and lines of latitude and longitude to pinpoint places on a map. Children find out more about map scales, grid references, contour lines and map symbols. They learn about climate change and the importance of global trade. Children analyse data and carry out fieldwork to find out about local road safety. They study patterns of human settlements and carry out an enquiry to describe local settlement patterns.</p>	<p>Geography: Investigating Our World</p> <p>This essential skills and knowledge project teaches children about locating map features using a range of methods. They learn about the Prime Meridian, Greenwich Mean Time (GMT), and worldwide time zones and study interconnected climate zones, vegetation belts and biomes. Children learn about human geography and capital cities worldwide before looking at the UK motorway network and settlements. They carry out an enquiry to identify local settlement types.</p>
<p>Spring</p>	<p>Frozen Kingdoms</p> <p>This project teaches children about the characteristics and features of polar regions, including the North and South Poles, and includes a detailed exploration of the environmental factors that shape and influence them.</p>	<p>Geography: Sow, Grow and Farm</p> <p>This project teaches children about the features and characteristics of land use in agricultural regions across the world, including a detailed exploration of significant environmental areas.</p>
<p>Summer</p>	<p>Revision and retrieval:</p>	<p>Revision and retrieval:</p>
