

Summer Term- Newsletter 17

Dear Parents and Carers,

Welcome Back to Summer Term, we hope you all had an enjoyable Easter Holiday. The children have come back energised and enthused about their new topics, it's great to be back together again.

Ash Class's project is Sunshine and Sunflowers. They will be learning how to care for the plants and animals in their local environment and how to stay safe in the sun. Beech Class are becoming real entomologists with their Scientific Imaginative Learning project Wriggle and Crawl. Last week, they launched their topic by creating a Bug Hotel and investigated minibeasts in Luxulyan Woods. Sycamore's Historical Imaginative Learning project Traders and Raiders sees them sailing back to the Dark Ages, where battles were rife and fear reigned. They will be investigating the lives of the Saxons and Vikings. Oak's Scientific Imaginative Learning Project is called Blood Heart, they launched their topic by becoming surgeons, dissecting an animal heart and examining the veins, arteries and chambers up close.

After School Clubs

All of our clubs start this week, thank you for signing up via the online form. If you would like your child to attend a club we still have some spaces. Please contact Mrs Gubb directly via secretary@luxulyansch.org

The Big Ask

The new Children's Commissioner for England, Dame Rachel de Souza, has this week launched The Big Ask – the largest ever consultation with children aged 4 to 17 in England. It aims to find out children's concerns and aspirations about the future, so that we can put children at the heart of our country's recovery from the coronavirus (COVID-19) outbreak. Parents, care leavers and those working with children are also invited to complete the adult survey to share their views about the future for children and young people today, and what they think is holding young people back. The results from this survey will help the Children's Commissioner identify the barriers preventing children from

reaching their potential, put forward solutions and set ambitious goals for the country to achieve. If you are interested in adding your views, the link is below. We will be looking at it with the children in school, the deadline is the 19th May.

<https://www.childrenscommissioner.gov.uk/thebigask/>

We are looking forward to a busy Summer Term, have a great week,

Emma Williams

Acting Head of School

*** Advanced Notice for Change to the School Day Times for September 2021 ***

In September the timings of our school day are changing. The school gates will open at 8.45am and the start of the school day will be 9am, still allowing for a 15 minute drop off window in the morning. This will mean the end of the school day will be at the slightly later time of 3:15pm.

Sunrise Club, run by Mrs Fox, will continue to be available from 8am to 8:45am each morning.

Jigsaw Piece for the Week

This week we are celebrating people who:
Try to solve friendship problems when they occur.

Ofsted Parent View

We would like to draw your attention to Parent View. This is a survey which gives you the chance to tell OFSTED what you think about your child's school. The survey can be completed at any time, you don't have to wait until the school is being inspected, and the link to it is always available on our website under the School Performance tab. We currently have 7 responses for this academic year, thank you very much to those parents who have completed it already. We have such supportive and engaged parents and pupils and we value your opinions.

OFSTED use the information provided by parents when making decisions about which schools to inspect and when, so they are always keen that we regularly share this information with you.

If you wish to express your views, go to <http://parentview.ofsted.gov.uk/> and click 'Gives us your views' to give Ofsted your views on our school.

If you have any concerns which you would like to share, we would really appreciate you telling us directly as the survey is anonymous and we will not be able to act upon any issues raised.

Attendance from 22/03/2021 to 23/04/2021

Ash	96.8%
Beech	95.8%
Sycamore	98.7%
Oak	98.3%
Overall	97.3%
