SPRING TERM NO 2

18th January 2019

ADDRESS: Luxulyan School, Luxulyan, Bodmin, Cornwall, PL30 5EE

Spring term- Week 2

I would like to say how proud we all are of the children who were fantastic during this week's Ofsted visit and how much progress they were able to demonstrate. We are not allowed to discuss any results of the inspection until the full report is published. This will be in around 2 weeks, and we will then send it out to parents / carers.

Our exciting range of after school clubs start next week! Please contact Mrs Grubb in the office if you have any questions or queries regarding these.

This week's word is- '**assimilate**'- which means 'to take in' / 'fully understand'.

Happy Friday!

Mrs L-D-L.

From Monday 21st January until April 5th, Class 2 will be hosting a trainee teacher Miss Shannon Searle from Plymouth University.

By this stage in their training BEd student teachers will have had previous school experience placements in a variety of settings and across Key Stages. Miss Searle will be closely mentored and supported by Mrs Williams and Mr Heagney in class as she is required to take increasing responsibility for the whole class teaching, over the course of the weeks. During this experience student teachers will fulfil all requirements of meeting the Teachers' Standards to a high level in order to reach the National Standards for QTS.

We look forward to welcoming Miss Searle to Luxulyan School.

We have the KEEP CLEAR road markings outside school to prevent cars parking close to the school gates and from causing a health and safety issue- as the safety of our children is of the utmost importance.

However some cars are still choosing to park on these lines, raising concerns from the school, parents/carers and the wider community.

We have placed cones on the yellow lines and the school transport now drops off and collects pupils from within the school car park.

Thank you for your continued support on this very important matter.

Mrs L-D-L.
