

School Bulletin Friday 19th July 2024

Welcome to the last school bulletin of this academic year. This is my 23rd year in education and I can honestly say that no two years look the same. The school has achieved so much this year with too many highlights to include here. The staff always work so hard to provide the best possible opportunities for your children and the many unseen hours behind the scenes that they willingly put in is always an inspiration to me.

I think that the carnival day was the perfect way to encapsulate this school year. Staff worked a long day on Saturday to provide a superb Cornish themed show which in turn celebrated our unique culture and heritage and was visited by guests who had never been to the school before and who left with nothing but praise for your children and the school environment. The day culminated in the parade which was so well attended and ended with the whole school and pupils past and present coming together in celebration (and getting sprayed with water).

We have had many families visit us this year, from far and wide, looking to become a part of this truly special community and we look forward now to a well-deserved holiday before entering the academic year 2024/25 with excitement and determination to continue to be the very best we can.

Thanks so much for your support this year.

Nathan Cooper – Headteacher

Attendance Update

August will see the changes to the National Penalty Notice Framework come into force. Specifically, the changes are:

1. A new national threshold of 10 unauthorised sessions for any reason (equivalent to 5 school days) within a rolling 10 school week period for which a penalty notice must be considered. A penalty fine can be issued for any combination of unauthorised absences over a 10- week rolling period. They can be consecutive or non-consecutive and can span over two terms.
2. An increase in the penalty fine from £60 to £80 if paid in 21 days. If the fine is not paid by the first 21 days, it will rise to £160 if paid within 28 days of being issued.
3. If a 2nd penalty fine is issued to the same parent for the same child within a 3-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.
4. If a parent then commits a third offence in a 3-year rolling period, the local authority will need to consider options available to them to improve attendance. This will include a consideration to prosecute under section 444 of the Education Act 1996.
5. The current penalty notice warning letter used for unauthorised absence (not holiday) will be changed to a Notice to Improve.

Reminder - Early Finish - Last day of term

We finish at 1.30pm on Friday 26th July 2024.

Reminder - Beach Trip Payment

Please can all parents/carers ensure you have paid for your child's transport to the beach by today. Please let us know if you have any difficulty with paying.

Many thanks
