Roadworks

Thank you for your patience with the roadworks outside the school, they seem to be nearing completion. If we have any updated information we will share it on Class Dojo and via text.

Parent Survey

Thank you to everyone who has completed the parent survey. At Luxulyan we are always seeking to improve the quality of education for our children. We have created the survey using the set of questions you find on Ofsted's ParentView and would really appreciate it if you could find the time to complete it. It will provide us with valuable feedback. If you have not yet completed it, please use the link below:

Next week at Luxulyan School we will be celebrating British Science Week; a festival of science, technology, engineering and maths that takes place every year. This year's science learning theme is GROWTH. Everyday the children will be taking part in science experiments and learning amazing scientific facts. If your child is particularly inspired by anything scientific at home (and it's practical to bring it in!) then feel free to send it in to create even more scientific discussion.
