# **AUTUMN TERM NO 1** 7th September 2018

# Welcome Back!

What a brilliant start the children have made to the new term. It has been wonderful to see so many happy, smiling children returning to school after the summer holidays and to observe them settling in so well to their new classes.

You may have noticed the space outside Beech class has changed somewhat to accommodate the outdoor learning that Year 1 and 2 will be experiencing over the coming year.

Class newsletters will be coming out today also. These offer information on what each class will be learning about throughout the autumn term in detail. After school club letters will be sent out next week and clubs will begin wb.17th September. We gim to provide an interesting mix of activities that will appeal to as many children as possible and we hope to increase the amount of clubs throughout the week, so that there is even more choice in the future.

Finally, please ensure you are are signed up to our electronic messaging service (ClassDojo) if possible, to keep as up to date as possible with school news, events and information.

#### Mrs L-D-L.

Next Wednesday at 2.15pm there will be an information session about RWI for parents of children in Reception, Year 1 and Year 2. This will be an opportunity to find out all about the phonic programme we use at Luxulyan. We will share with you how we teach phonics and show you some of the resources we use in

class as well as giving you some ideas of how you can support your children at home. We hope that it will give you the information you need so you can feel confident about how your children are learning to read and write at school. We look forward to seeing you next week.
