

### School Bulletin Friday 16<sup>th</sup> May 2025

I am genuinely so happy and proud to be able to serve the school as Headteacher. This is a very special community in which I feel supported by parents, carers, staff and pupils. The past week has showcased exactly why we are in such a strong position to meet the needs of our learners.

Year 6 have completed their SATS to the very best of their ability and, most importantly, come out of the experience smiling! That it down to the hard work of the entire school community in terms of support and flexibility to ensure the whole experience allowed our pupils to do their very best. I have my own thoughts on end of key stage tests in their current format but, putting those aside, I can hand-on-heart say that they were so well prepared that their final grades will be an accurate reflection of their abilities.

Of course, our pupils are so much more than test scores and the resilience and positivity shown makes us all feel so lucky to be able to play our part in this part of their lives.

Have a well-deserved break now year 6!

### **A message from Cornwall Heritage Trust**

Children in Oak and Sycamore Class will be attending a lantern making workshop on Tuesday 20<sup>th</sup> May, at school, with Caroline from the Cornwall Heritage Trust (CHT).

This year, CHT are celebrating 40 years and we're lighting a beacon at each of our 16 sites as part of our birthday celebrations.

On Wednesday 28<sup>th</sup> May we have a free family nature activity day at Treffry Viaduct and we hope that you might be able to join us during the day and/or bring your lanterns along to the Beacon Lighting at 4pm to help us celebrate our 40<sup>th</sup> Anniversary. There will be cupcakes and refreshments.

### **Another year another round of SATS completed!**

I'm so proud of these guys and the resilience they have shown across the week.

Thanks for all the support from the parents and wider community, who have helped prepare all the children. Also a thanks to all our other children and staff for supporting our crazy timetable.

Our Year 6 had one final test to complete after the SATS finished – could they eat a doughnut without licking their lips or fingers. This proved one of their trickiest challenges....

**Wraparound**

We have had a few children turn up recently for Breakfast/Treetop Club without pre-booking on Parentpay. We arrange our staffing ratio around how many children are booked for the week so its important we know the exact amount of children attending as we may have to turn children away who haven't booked in advance.

A reminder to please ensure you have booked for the following week by the **Thursday before**. Mrs Grubb/Mrs Tonkin should only be booking short notice/emergency wraparound bookings, not routine bookings.
