

## **Music**

Change the words of a song you know well to turn it into a song called 'Rise of the Robots'. If you're brave enough you could sing it to us in class!

## **Spanish**

Create a word search with 8 new Spanish words you have learnt.

## **DT**

Invent a useful machine. Draw, label and name it.

## **Science**

Create a poster to explain electrical conductors and insulators.

# **Rise of the Robots Homework grid**

## **English**

Create a Robot shape poem.  
Google shape poetry for different examples.

Choose one task to complete each week. It doesn't matter which order you do them in.
